

RoboJackets

2007 Technology

Enrichment Sessions

TE Sessions are a series of workshops geared to prepare teams for the FIRST Robotics Competition or the FIRST Tech Challenge. Basic and advanced sessions are offered for students with varying skill levels.

Sessions will be held on Tuesdays from 5pm until 8pm starting on September 18th, 2007. They will culminate in a VEX based competition hosted on Saturday, November 17th at 10 am. In order to ensure the availability of learning materials, schools must register online before the end of September 7th, 2007.
